NEURAL ENGINE

I.) BLACKOUT

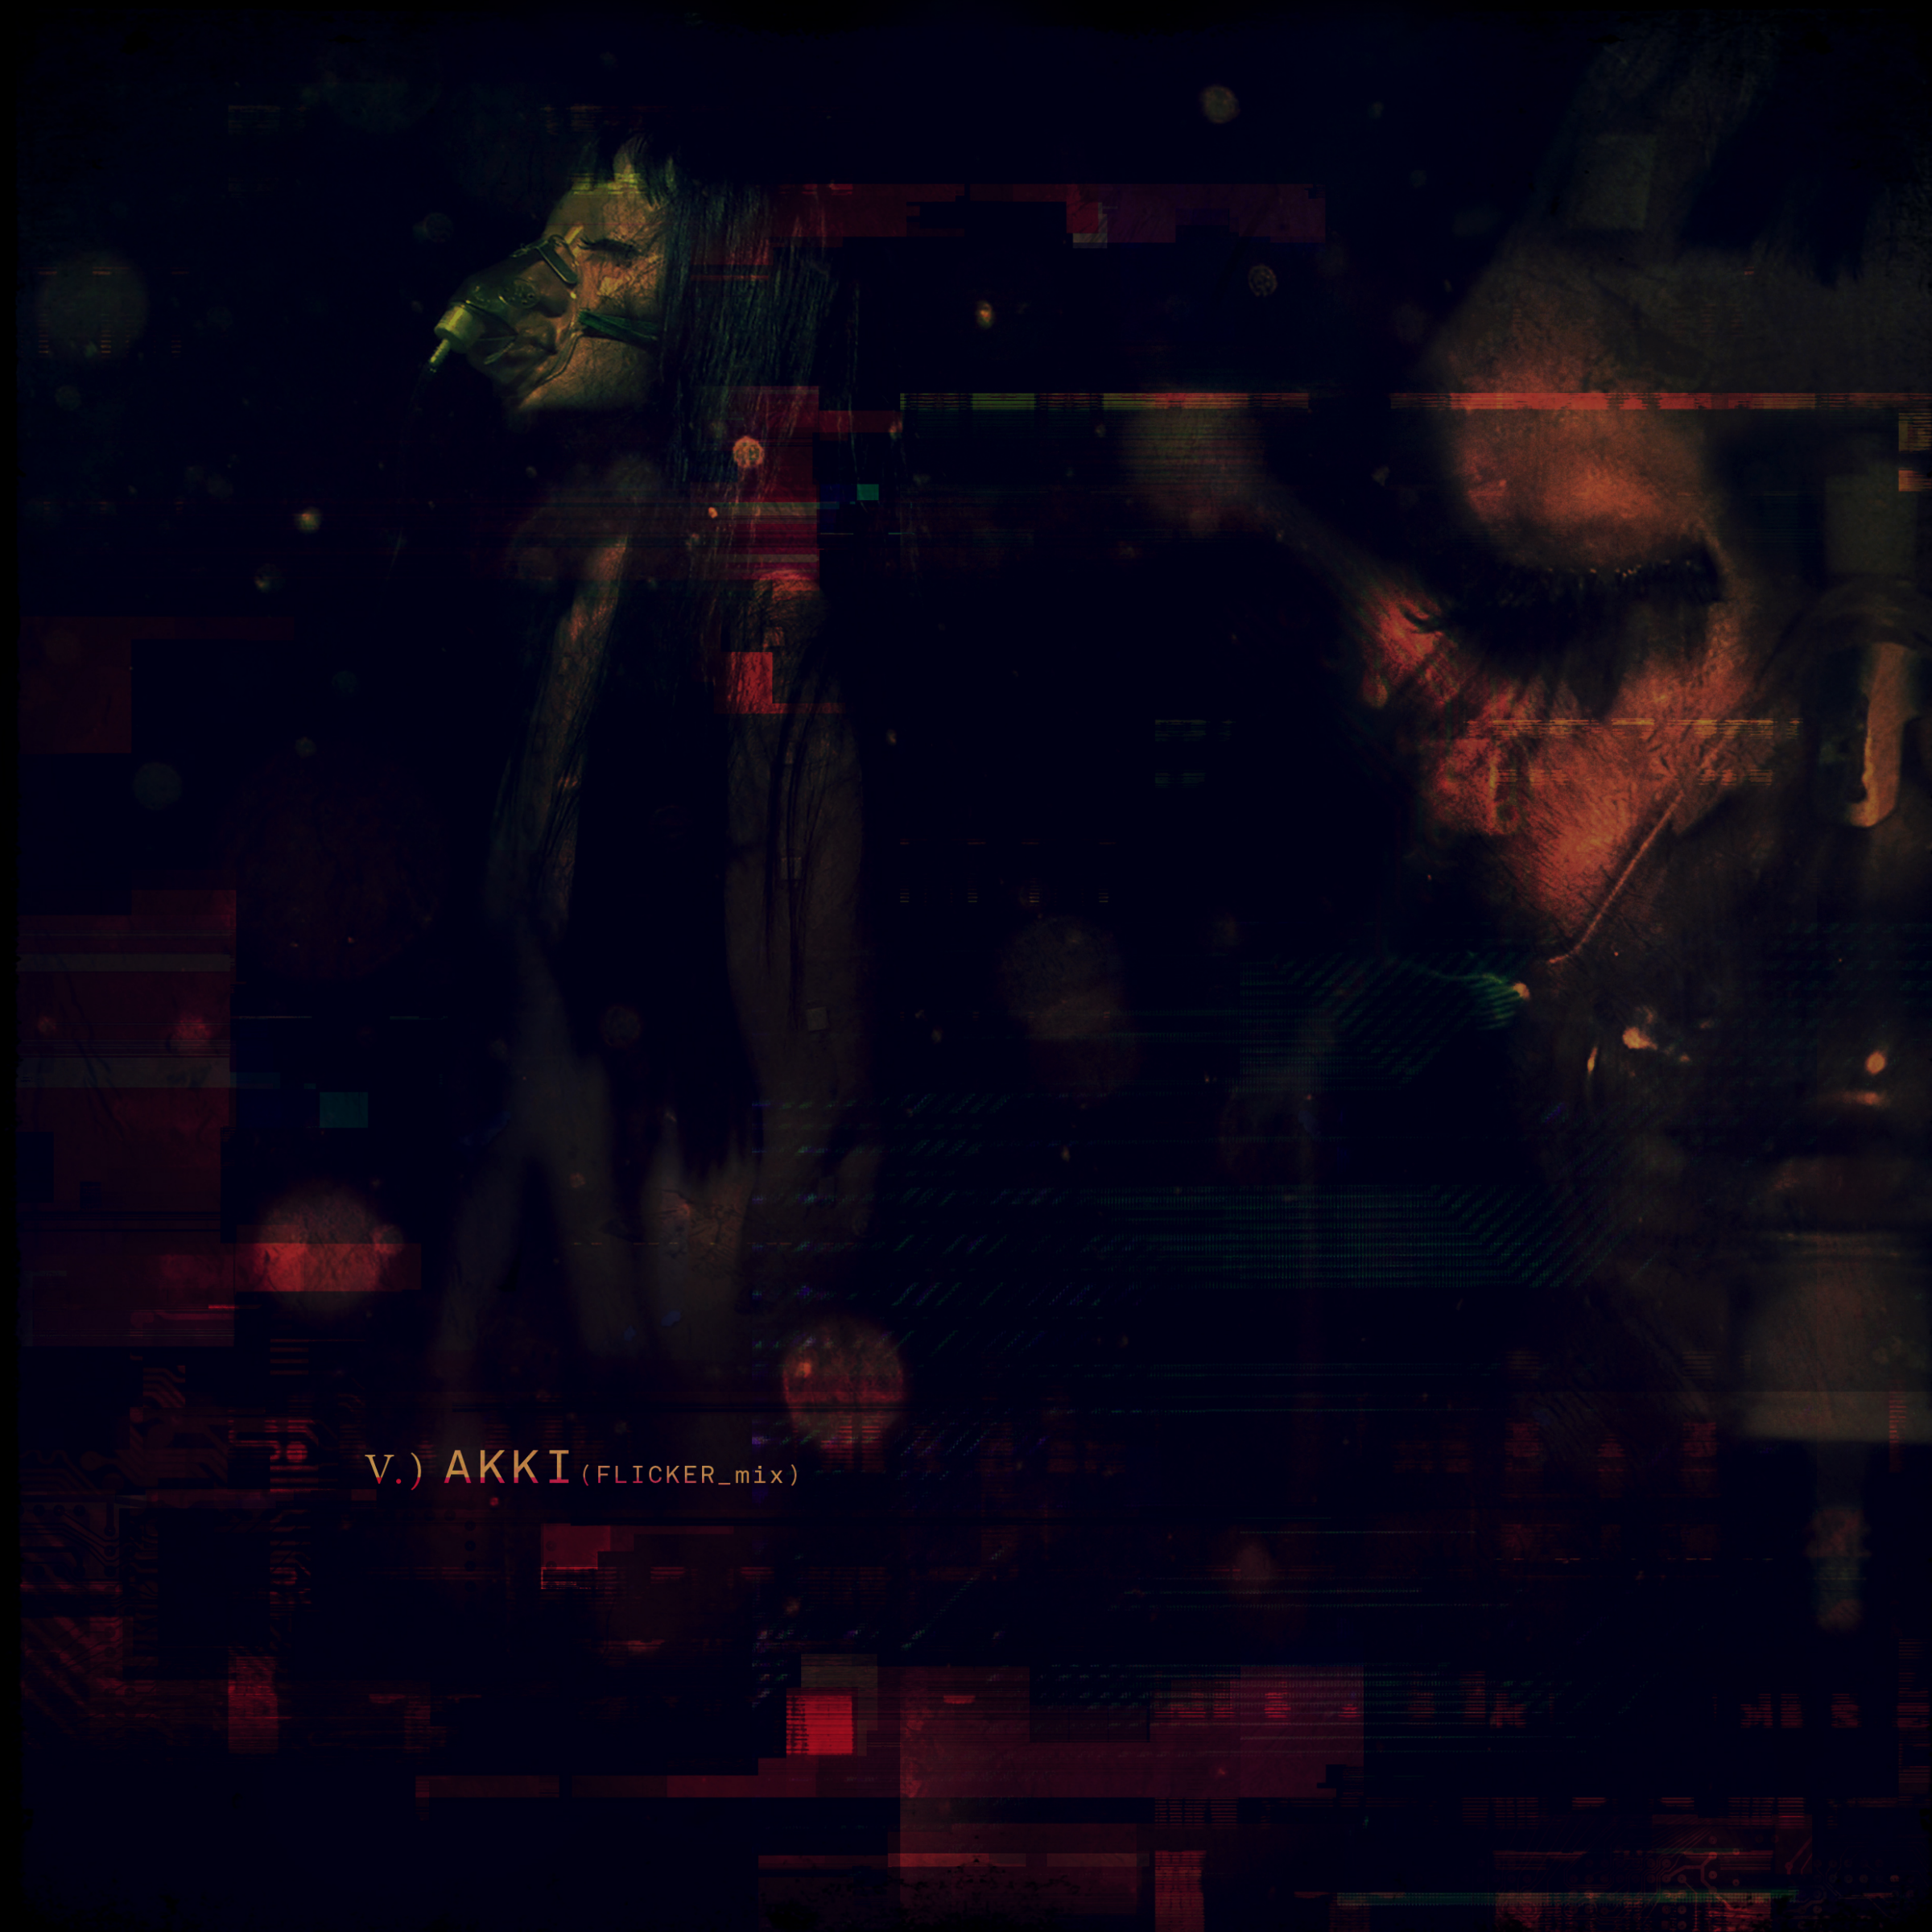

II.) ALABASTER

The image is a dense digital collage. At the top, a woman's face is partially visible, her eyes closed, with a soft, ethereal glow. The background is a complex network of glowing green and red circuit board traces. In the lower center, there is a detailed, metallic mechanical assembly, possibly a turbine or engine component, with various pipes, valves, and cylindrical parts. The overall color palette is dominated by dark blues, greens, and reds, creating a futuristic and industrial atmosphere.
